## USER LOG IN

When an user open the app first time then this UI will appear. And when he/she set all the value of the field correctly then he/she will able to Sign in. When an user want to save his sign in status then he/she must have to checked this remember check box.

This UI has three major section.

- i. Sign in
- li. Sign up as user
- lii. Login as Admin

The image shows a mobile application interface for a 'Notice Board'. At the top, there is a purple header bar with the text 'Notice Board' in white. Below the header, the title 'Notice Board' is displayed in a large, elegant purple script font, with '(User LogIn)' in a smaller, plain purple font underneath it. The form consists of two input fields: 'Email' and 'Password (Compulsory)', both with purple labels and horizontal lines for text entry. Below the password field is a grey rectangular button with the text 'SIGN IN' in bold black capital letters. Underneath the button is a checkbox followed by the text 'remember me' in red. At the bottom of the form, there are two links in purple script font: 'new user? Sign Up here' on the right and 'Log In as Admin? click here' on the left. The background of the app is white, and the overall design is clean and modern.

# CREATE NEW ACCOUNT AS A USER

When an user want to create new account, then this UI will appear.  
When he/ she filled up all the field then he/she able to sign up.

The image shows a mobile application interface for creating a new account. At the top, there is a purple header bar with the text "Notice Board". Below the header, the title "Create new account" is displayed in green. The form consists of several input fields: "User Name" (with a purple underline), "Email" (with a grey underline), "Password (at least 4 digit)" (with a grey underline), and "Confirm password (complusory)" (with a grey underline). Below these are two dropdown menus: "Select your Batch" and "Select your Discipline", both with grey underlines and downward-pointing arrows. At the bottom of the form, there is a checkbox followed by the text "Accept terms and conditions" in red. A grey "SIGN UP" button is located at the very bottom of the form.

## CREATE NEW POST AS USER

In this tab an user can create new post. There are two types of notice

One is For all, And another is only for my batch.

Only for my batch means only user's batch mates can view this type of notice. Those who subscribed this batch before, he can only view For all type of notice.

The screenshot shows a mobile application interface for creating a new post. At the top, the status bar displays the time as 3:39 AM, data usage as 0.03K/s, and various system icons. Below the status bar is a purple header with a hamburger menu icon on the left and the title "Notice Board" in white. Underneath the header is a purple navigation bar with three tabs: "CREATE POST" (which is selected and underlined), "NEW POST", and "OLD POST". The main content area has a green heading "Post Your Notice". Below this heading are three input fields: "Title" (with a purple label), "Description" (with a grey label), and "Select Notice Type" (with a grey label and a blue downward arrow). At the bottom of the form is a grey button labeled "POST".

## CREATE NEW POST AS BATCH ADMIN

In this tab a Batch Admin can create new post.  
One can change the file name by set new file name.

File upload section is appeared only when the user act like as an Admin.

There are two types of notice

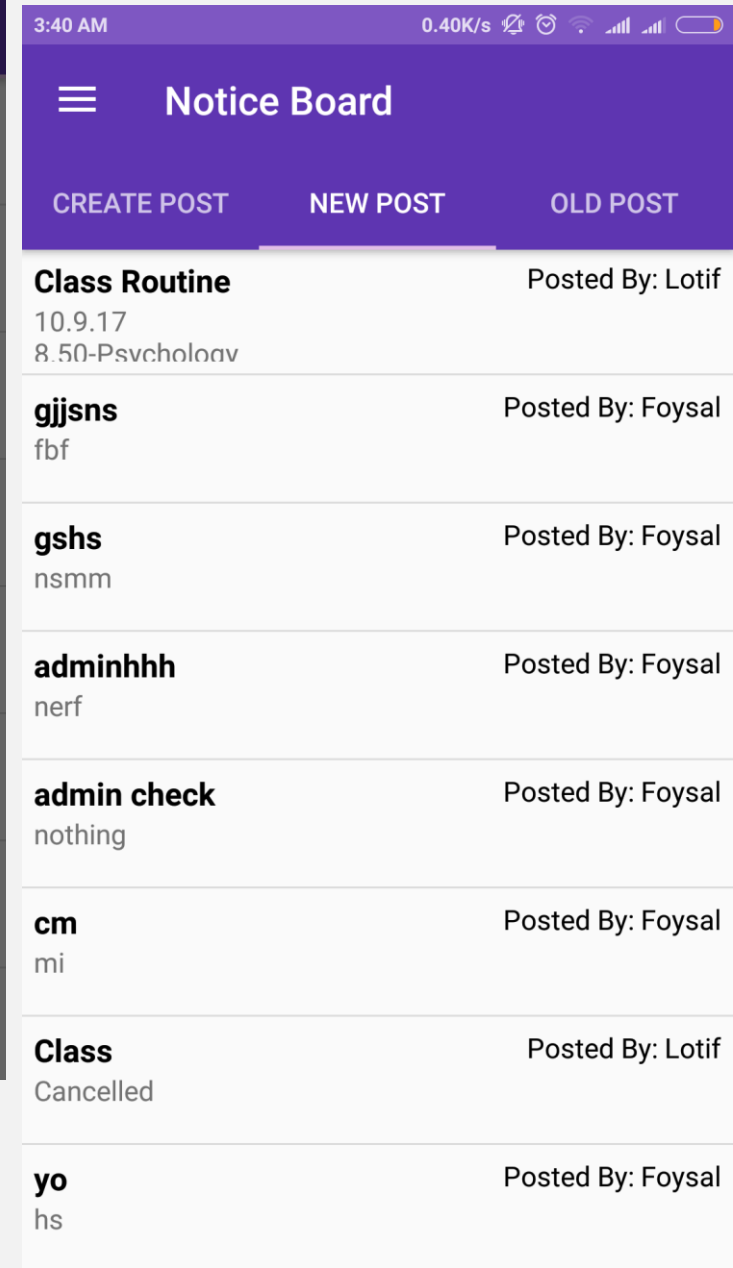

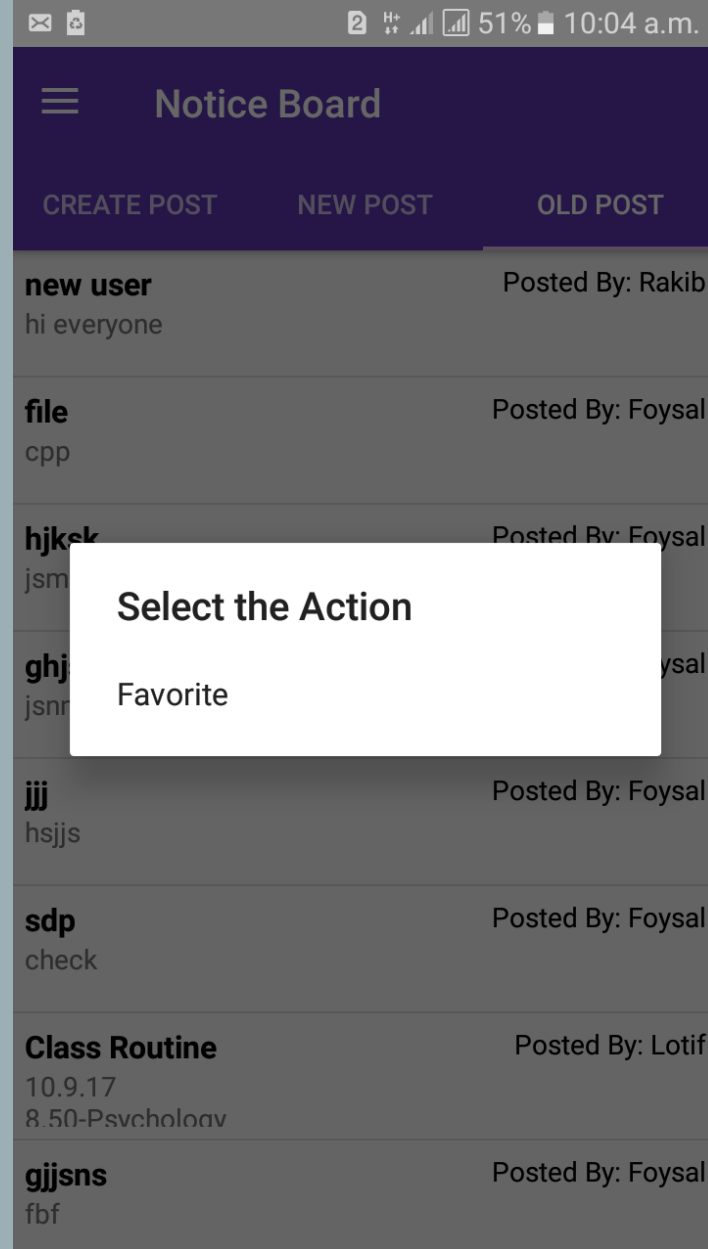

One is For all, And another is only for my batch.

Only for my batch means only admin's batch mates can view this type of notice. Those who subscribed this batch before, he can only view another type of notice.

The screenshot displays a mobile application interface for a 'Notice Board'. At the top, a purple header bar contains a hamburger menu icon, the title 'Notice Board', and three tabs: 'CREATE POST', 'NEW POST' (which is selected), and 'OLD POST'. Below the header, the text 'Post Your Notice' is displayed in green. The form consists of several sections: a 'Title' field with a purple label and a horizontal line; a 'Description' field with a grey label and a horizontal line; a 'Select Notice Type' dropdown menu with a blue downward arrow; a 'CHOOSE FILE' button; a 'Set File name' text input field; and a large grey 'POST' button at the bottom.
